My discovery proved so successful that I was obliged to give up my general practice and for thirty-two years have made Catarrh my specialty. Write me a postal card (or a letter) and I will send you by mail a liberal trial treatment entirely free. If you suffer from Catarrh, Broachitis, Ashma, Catarrhal Deafness, or any other catarrhal trouble, you cannot afford to negle lect the use of this grand remedy. Catarrh, if neglected, will extend to the lungs, finally leading to consumption. When you try my free sample and see how the warm, pleasant medicated vapor goes to every spot and gives immediate relief, you will be convinced. Remember a postal card, with your name and address will bring you this free trial treat-ment. It will also bring you free my illustrated book "Plain Facts About Catarrh." Write to-day. Address Dr. J. W. Blosser, 320 Walton St., Atlanta, Ca.
